

# CORONAVIRUS (COVID-19) RESPONSE UPDATES

## A message from the Early Learning Center

**March 25, 2020**

Dear Naples Y Early Learning Preschool Families,

With your continued health and well-being our number one priority, along with the continued fluid situation of the COVID-19 (Coronavirus), we have rescheduled the reopen date of our school to **Wednesday, April 15**, with restrictions.

With this reopen date change, we have placed all school and program fees on hold. We will not be processing your next drafts, which was scheduled for April 1 and April 15.

Many of you have reached out and have generously indicated that you would like to continue to pay your program fees to support the YMCA during this difficult time. Program fees paid during our COVID-19-related closure may be considered a charitable gift, and will help to ensure that the YMCA will be here to support you and your family when this public health crisis is over.

We also invite you to enjoy **"Virtual Y"** to gain free access to workouts, activities, and games for the kids or entire family. Even with our doors responsibly closed, your Y keeps looking for ways to serve and care for you and your family.

Check out my "Virtual Y" today for all the free fun! "Virtual Y" links:

If you are able and would like to generously continue paying your program fee, or donate a one-time, or monthly monetary gift to our Y, please follow this link: [www.greaternaplesymca.org/give.html](http://www.greaternaplesymca.org/give.html)

When we stay together, we are all stronger. Stay well. Be safe. Keep grace. Find hope. May peace be with you and yours.

God Bless you and yours,

Katie Scarantino,  
Director of Early Learning
