DISCIPLINE POLICY

Our discipline policy is based on recognizing and providing positive reinforcement for appropriate behaviors and natural or logical consequences as a response to less desirable ones. We believe that children truly want to learn how to behave in an appropriate manner. Our job is to help them learn this by serving as role models and guides. Our discipline policy is designed to be effective in a variety of situations and is based on the following components: Consistency, Emphasis on the positive, Logical consequences, Response. *We will never use any type of physical punishment. Nor will we shame, scold, or humiliate children.*The YMCA reserves the right to dismiss a child from the Youth Development programs if repeated efforts at modifying misbehavior have failed and/or if parents are not cooperating with our policies.

I acknowledge that I have read the Greater Naples YMCA's discipline policies and procedures.
