YMCA Project Graduation: Friday, May 26, 2017

Locally, a small group of concerned parents who wanted their kids to have fun, celebrate and be safe started the very first Project Graduation in Collier County over thirty years ago. Since the event’s inception, the Y has been the host venue and increasingly lead partner, bringing together hundred of dedicated volunteers and numerous community agencies and local businesses. Through the support of the community, Project Graduation has grown and expanded to now host more than 1,200 graduates from twelve Collier County high schools.

On Friday, May 26, we will celebrate the 32nd Anniversary of YMCA Project Graduation. YMCA Project Graduation is one of the nation’s longest running, drug and alcohol-free celebrations. Graduation night can be a deadly and dangerous night in some cities, however, since YMCA Project Graduation’s inception in 1985; there has never been an alcohol related fatality on graduation night in Collier County.

Over the past three decades, schools, parents, concerned citizens, area businesses, and the whole community have given generously to make this event a success. YMCA Project Graduation has become a way for the entire Collier County community to focus on a project conceived to save the lives of our graduating seniors. We thank these dedicated volunteers and supporters for your past involvement and we are seeking your continued support this year.

The Greater Naples YMCA suffered a devastating loss to a fire on 9/2/13. With over 80% of the building damaged or destroyed the Y embarked on an extensive rebuilding project, and were still able to hold the 30th Annual Project Graduation on 5/29/15. It was because of the support of the community and local businesses that we were able to have a successful Project Graduation. THANK YOU for your support!
TOGETHER, WE CAN MAKE A DIFFERENCE
