

Private Swim Lessons

POLICY: The Greater Naples YMCA seeks to teach swimming and water safety to as many students as possible through our group lesson program. As a supplement to that, we offer private swimming lessons. Private lessons will be based on pool usage and instructor availability.

PROCEDURE: This form will be available at the Membership Services desk for those interested in requesting private or semi-private lessons. The aquatics director or an assigned teacher will then contact the member in approximately one week. Once scheduled, the student or parent will need to register and pay at the front desk prior to the lessons and give the receipt to the instructor at the first class. **Purchased lessons are nonrefundable.**

COST:

Private Lesson (check box)

Members = \$30 for one 30-minute lesson
 \$270 for ten 30-minute lessons

Semi-Private Lesson (check box)

Non- Members = \$45 for one 30-minute lesson

CANCELLATION POLICY: If you are unable to make your lesson, you must notify your instructor as soon as possible to be able to reschedule the lesson. If you do not show up to your lesson and do not notify your instructor then you will be unable to make up that lesson. If you are late to your lesson without notifying your instructor, they do reserve the right to subtract that time from your lesson. If a session is cancelled for weather within the first 15 minutes of lesson, your lesson will be rescheduled at a later date.
